## How your data is used and shared by Insurers and Databases in relation to household insurance

The data you provide will be used by us and shared with other insurers as well as certain statutory and other authorised bodies for:

- Insurance underwriting purposes, i.e. to examine the potential risk in relation to your (and/or a third party's) prospective policy so that we can:
  - consider whether to accept the relevant risk;
  - make decisions about the provision and administration of insurance and related services for you and members of your household;
  - validate your (or any person or property likely to be involved in the policy or claim) claims history (at any time, including upon application for insurance, in the event of an incident or a claim, or at a time of a mid-term adjustment or renewal).
- Management information purposes, i.e. to analyse insurance and other markets for the purposes of:
  - portfolio assessment;
  - risk assessment;
  - performance reporting;
  - management reporting.
- Anti-fraud purposes i.e. to detect and prevent fraudulent claims and/or activities by:
  - sharing information about you with other organisations and public bodies including the police;

- tracing debtors or beneficiaries, recovering debt, managing your accounts and/or insurance policies;
- undertaking fraud searches. Insurers pass information to the Claims Underwriting and Exchange Register administered by Motor Insurers' Bureau (MIB).

This helps insurers check information and prevent fraudulent claims. When we deal with your request for insurance we may search these registers.

- Compliance with legal obligations and responsibilities, including:
  - Claims management – In the event of a claim we may need to disclose information with any other party involved in that claim, e.g. third parties involved in the incident, their insurer, solicitor or representative and medical teams, the police or other investigators. We also may have to investigate your claims history
  - Complaints management - If you make a complaint about the service we have provided, we may be obliged to forward details about your complaint, including your Personal Information, to the relevant ombudsman.

We can supply on request further details of the agencies and databases we access or contribute to and how this information may be used. If you require further details, please contact us.

## Fraud prevention and detection

In order to prevent and detect fraud we may at any time:

- Share information about you with other organisations and public bodies including the Police;
- Undertake credit searches and additional fraud searches;
- Check and/or file your details with fraud prevention agencies and databases, and if you give us false or inaccurate information and we suspect fraud, we will record this.

We and other organisations may also search these agencies and databases to:

- Help make decisions about the provision and administration of insurance, credit and related services for you and members of your household;
- Trace debtors or beneficiaries, recover debt, prevent fraud and to manage your accounts or insurance policies;
- Check your identity to prevent money laundering, unless you provide us with other satisfactory proof of identity;
- Check details of job applicants and employees.

## Claims history

- Under the conditions of your policy you must tell us about any insurance related incidents (such as fire, water damage, theft or an accident) whether or not they give rise to a claim. When you tell us about an incident we will pass information relating to it to a database.

- We may search these databases when you apply for insurance, in the event of any incident or claim, or at time of renewal to validate your claims history or that of any other person or property likely to be involved in the policy or claim.

We can supply on request further details of the databases we access or contribute to. If you require further details please contact us

## Renewing your insurance

We will contact you in writing at least 21 days before your renewal date and will either:

1. give you an opportunity to renew your insurance for a further year and tell you:
  - about any changes we are making to the terms and conditions of your policy;
  - to review your circumstances and consider whether this insurance continues to meet your needs;
  - to check that the information you have provided us with is still correct, and tell us if anything has changed; and
  - the price for the next year.

If you wish to make any changes at renewal, please log in to your My account and edit your policy there.

or

# Home Important Information

2. let you know that we are unable to renew your insurance. Reasons why this may happen include but are not limited to the following:
- when the product is no longer available; or
  - when we are no longer prepared to offer you insurance for reasons such as:
    - we reasonably suspect fraud;
    - your claims history;
    - we have changed our acceptance criteria;
    - you are no longer eligible for cover; and/or
    - where you have not taken reasonable care to provide complete and accurate answers to the questions we ask. See the 'Important Notice – Information and changes we need to know about' section within this document.

A cooling off period (14 days from renewal of the contract or the day on which you receive your renewal documentation, whichever is the later) applies at the renewal of your insurance. Please read '**Your cancellation rights**' in your policy booklet which explains how this works.

## Automatic renewal of your policy

Where we have offered you renewal terms and you select or have selected a continuous premium payment method, you will be notified by email at least 21 days before your renewal date that the policy will automatically be renewed and the renewal premium will again be collected from your specified bank account or credit/debit card. You can stop your policy from automatically renewing free of charge at any time online via My Account.

We will not automatically renew your policy if:

- you have contacted us to cancel your continuous payment authority since you purchased the policy or your last renewal; or
- we no longer offer you the continuous payment method if, for example, you have a poor payment history or an adverse credit history; or
- you have opted out of Automatic Renewal.

If any of the above happens we will advise you of this in your renewal email and you will need to contact us to make payment before we can renew your policy.
